

RHINO ASSEMBLY CORPORATION

Free Labor Offer

3 for FREE!**

Rhino Assembly Corporation wants the opportunity to earn your service business. For all new customers, Rhino will waive the labor charge on the first 3 tools you send in. Pay for parts only and receive great service and fast turn around time.

24 Hour Estimates

Rhino Assembly strives to achieve the fastest turn-around time in the industry. Our goal is to provide customer estimates on all pneumatic tools in 24 hours. Upon authorization, it is the Rhino Service team's objective to return tools in 48-72 hours.

We Service All Major Brands

Why Choose Rhino Assembly for your Service Solutions?

All Major Brands

We service many brands of air tools, cordless tools, torque equipment, & torque wrenches, including Atlas Copco, NPK, Crane, BOSCH, Uryu, Ingersoll Rand, Chicago Pneumatic, Desoutter, Tohnichi, and many more.

Same Day PM Service

If you have a scheduled maintenance program, let us turn around your PM service in the same day. Rhino is capable of quickly performing regular maintenance assuring all tools are operating at manufacturer specifications.

Fully Trained Service Staff

Our Service Team is fully trained and experienced. All tools are completely torn down and every part is carefully inspected for wear and tear. All worn parts are replaced and every part is thoroughly cleaned and degreased. Tools are reassembled to manufacturer's specifications. Every tool is inspected with air consumption meters, tachometers, and torque calibrators.

The Repair Process

Rhino Assembly is your one stop for assembly tool repairs and calibrations. Rhino Assembly offers simple procedures for processing your repairs. There is no need to call us to obtain a return authorization (RA). Simply send them in to our Charlotte facility attention of the service department and we will provide a quote via fax or email in 24 Hours.

Instructions for Sending Repairs to Rhino Assembly:
